### INTRODUCTION TO CANSKATE – Learn to Skate for 3-5 year olds

The Introduction to CanSkate Program is a group lesson designed to enable very young skaters to feel comfortable on the ice and learn to stand, get back up when they fall, take steps and move around on the ice unassisted. All instruction is provided in a small group format with qualified coaches and program assistants teaching the skaters. **It is required that all skaters wear skates, helmet, mittens, and a jacket when on the ice.**
